

Deer Processing Request Form

Little Brother’s Butcher Shop
115 N Maple St, Mulberry Grove, IL

At Little Brother’s Butcher Shop, LLC we understand the time and investment that goes into harvesting your deer. All fresh in-house cuts will be returned to you from your deer.

Orders that are processed into cooked or cured products (such as snack sticks, jerky, etc.) will be placed in a bulk batch for processing.

Due to the size of our facility and the busy nature of deer season, all standard processing orders must be picked up within one week of notification.

Orders not picked up within one week will incur a storage fee of \$5 per day.

Deer extras (salami, snack sticks, brats, etc.) require additional processing time and must be picked up within one week of notification once completed.

If an order is not picked up within 15 days of the first notification, the deer will be donated.

A \$100 deposit is required for all deer processing orders and will be applied toward the final balance.

Orders not picked up within the stated pickup period may result in forfeiture of the deposit and the product being donated.
